Agenda/Decisions

1. Following the withdrawal of the EUI's bid for the 2026 Annual Conference, the **Executive Committee of CEPSA unanimously decided to organise the 2026 Annual Conference at the University of West Bohemia in Pilsen.**

The CEPSA EC expressed its sincere gratitude to the University of West Bohemia for its flexibility and support.

The proposed dates for the conference remained unchanged (24–26 September 2026). Petr Just will inform the Czech Political Science Association of this decision.

The EC also decided to inform the members and post the alteration on the CEPSA website.

2. **Smaller-scale CEPSA-EUI workshop in 2026**

The CEPSA Executive Committee has agreed to collaborate with the EUI and to organise a smaller-scale joint event in 2026 in Florence. This event will provide an opportunity for interaction between CEPSA academics and the EUI community. Further details regarding the format and timing will be discussed in due course.

3. **Guidelines for coming CEPSA conferences**

Senior CEPSA President, Miro Haček, with Petr Just, and Simona Kukovič prepared a document outlining regulations for bidding and preparing the annual CEPSA conferences. It was agreed that Miro Haček will circulate the document to all EC members for their comments and any suggested alterations. This process will ensure that the guidelines are comprehensive and reflect the collective input of the committee.

The EC looks forward to finalizing the document based on this feedback.
